Remarks

Beautifully renovated in 2018, this property blends modern updates with the freedom of country living. Step into the inviting living room, with a cozy fireplace. The kitchen offers updated appliances and a walk-in pantry. Additional conveniences include a laundry room with counters, spacious hallway closets, and brand-new carpet throughout. The outdoors are just as impressive. A brick patio, ideal for entertaining, cross-fenced yards ready for pets or livestock. Equestrians will enjoy the 80x250 riding area and proximity to local riding facilities. A garage with shelving and RV hookup on site. Solar panels with locked-in rate. Internet tower-buyers may negotiate terms for continued use or arrange removal. This home offers the rare combination of space and modern convience.
